Shut the Box paper board

SHUTTHEBOXGAMES.COM

No box? Play on paper. Roll two dice and cover the numbers you shut with coins, buttons or counters. Uncover everything to start the next player's round.

1-9 board (the classic game)

1	2	3	4	5	6	7	8	9

1-12 board

1	2	3	4	5	6

7	8	9	10	11	12

1-36 board for the multiplication game

Multiply the two dice and cover the product. Only 18 of these numbers can ever be made. Which ones, and why?

1	2	3	4	5	6

7	8	9	10	11	12

13	14	15	16	17	18

19	20	21	22	23	24

25	26	27	28	29	30

31	32	33	34	35	36
